

*From the Desk of . . .  
Minnie Windfall*

By the looks of Minnie, she's been indulging in her share of hot chocolate and cookies.

Don't be alarmed. It's just the padding. Good cover, Minnie!

But truly she deserves some rewards because she's been working time and a half checking her inventory list of scratchers to make sure you get the latest and greatest tickets. She wants to help you get some extra cash in your pockets for the holidays.

Looks like she's been doing a good job too. Just look at the winners listed below who were kind enough to let us know that they added some 'jingle' to their pockets.

Minnie wishes everyone a very **Winning Holiday \$ea\$on!!**

**Doug W \$10**
