PowerPick Player's Club Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Summer's here! But there will be no dancin' in the street with these temps! Maybe our friends in the mountains are outside partying, but us desert dwellers are hunkered down with the shades drawn. Let's put "Winning a Jackpot" on our summer list of Things to Do. Some Cool Millions sound pretty good about now. Getting in a pool is a great way to cool off and getting in a lottery pool is a great way to increase your chances of winning some of that Cool Cash that's out there and just waiting to be snatched up.

Many of you have discovered how easy playing on the EZPooling website is and how many more choices are available. Just a note here... PowerPick Players Club's website is still active, but that's the place to read the newsletter, enter a contest or list a classified ad. It's also filled with news of Winning Tickets, contest winners and general information about our pooling service. If, however, you are looking to place an order or view your numbers and results, then www.EZPooling.com is the place you want to be.

There has been some confusion between ezpooling.com and powerpick.com - about which is which and what is where, so hopefully that clears things up a bit for you. Remember too that if you are feeling even slightly technically challenged, we are here to help you get it all straightened out and show you just how easy it

all is. We are here to help you and happy to do so.

Remember too that you can actually earn some \$\$ by sharing our swell service with those friends, neighbors or relatives who, like you, want to get the most bang for their lottery buck. If you go to EZPooling, and click on the red bar that says "\$50 Referral Bonus", you'll see how to earn money whenever your referrals sign up and play. Those bonuses can add up and will automatically be deposited into your pooling account.

But let's get down to the business of WINNING. Jackpots are up and down, but confidentially, we would welcome any ol' jackpot winner at all...even those 'measly' \$40 million starting jackpots can be mighty tasty, and you know it. Arizona has seen its share of winners and we're aiming to get on that list. We appreciate all of you who are seeking the dream and having fun along the way too. After all, part of our mission is to make the journey enjoyable as well. Play on and keep your fingers crossed. We'll take care of all the rest!

Just a Thought...

**If you weigh 200 pounds on earth,
you'll only be 76 pounds on Mars.
So you're not overweight. You're
just not on the right planet.**

Calling ALL Book Lovers

Maybe you have forgotten, but we want to remind you that we have a FREE book exchange shelf in our office on 24th Avenue. If you have any books you'd like to share, please stop by and add them to our shelves.

We have a number of really great titles... some even best sellers...that you can read for FREE! Here's how it works, bring in a book and pick up something to read for yourself that strikes your fancy.

Read it, bring it back and choose another. There are no time limits on the books you choose to read, no deposit, no fuss, no kidding. Just a way to expand your mind and share with others. So go ahead, look through your stack of books and see what you'd like to share. We'd love to add them to our shelf.
