

Letter from the Founders *Andy & Judy Amada*

We Can Use Your Help . . . to Help YOU and US!

Judy and I started PowerPick because we know lottery pools are by far the best way to win some real money. It happens everyday around the country and we know our turn will be coming. As we near the holiday season, many of us are forced to be more frugal this year based on economic circumstances.

Like any other small business, we are tightening our belts wherever possible and looking for more and more ways to offer as many numbers for as little as possible. PowerPick Players Club remains very unique in its service offerings. While pooling is commonplace in many areas, not everyone works in a large office or has an opportunity to pool any time they wish. We offer a variety of pool sizes, the ability to pool anytime with almost any game, security, dependability, and convenience, **but in order to offer all the exciting options, we need more members.**

Just recently we added a new \$3 pool to fit everyone's budget whenever the mood strikes. If you have friends who just want to play now and then, they can get into our newest \$3 Lottery Pools! Who can't afford that? And, they can pick the game and their own pool size. They can choose pool sizes of 10, 20, 50, 100 and 250. And one of these days, our pools are going to hit some huge prizes – you can bet on that . . . It will happen! For our current members, these new \$3 pools can be used as supplements to whatever you are doing now.

We also have referral programs that allow you to actually reap some financial benefits by telling your friends and family about this one-of-a kind service. If you want to know more about this just give us a call. Advertising is so expensive these days that we would prefer to reward our members with those advertising dollars instead of the newspapers.

If everyone would make a small effort to bring in just one new

member, it would benefit the club as a whole. It's the old 'strength in numbers' theme and it really does work. The more members that we have, the greater the variety of pools we can offer and the greater number of pools we can offer. These are just more reasons why we need to expand our membership.

We do hope that you will think of a friend who would enjoy receiving more chances to win than ANY OTHER WAY of playing. Just email them with a short personal note and tell them to go to www.3dollarpools.com. They can also call us so we can answer any questions. **We'll be happy to take it from there.**

We are so thankful to our members for their loyalty and their steadfastness and we really want to see our members hit some big prizes. Whether you play continually or on an occasional basis, we wish you the very best. Here's to wishing you a peaceful, joyful, warm and loving holiday and the best of everything in the coming New Year— **quite possibly the year of the BIG JACKPOT WINNER!**

Amy Amada *Greg Amada*
