

*From the Desk of . . .
Minnie Windfall*

Ho, Ho, Ho, here comes Minnie with her bag full of scratchers.

A big thanks to Minnie for taking the time to sort through the tickets that offer the most winners still available for our PowerPick members.

Whether you're receiving these tickets in your Winnings Statements, as a winner of a Second Chance Sweepstakes drawing, or in a bi-monthly contest, Minnie loves hearing from all of our lucky players about their wins. So don't hesitate to give her a call or shoot her an email.

A big holiday thank you to those members listed below who reported their latest winners.

Here's to a New Year just jammed packed with more winners for everyone of you!
