SCRATCHER CONTEST

Remember the joy you felt as a child when you knew that Santa had arrived with your presents under the tree? Or maybe you remember lighting the Hanukah candles and opening a gift each day for eight days. What fun!

Whatever holiday fun you recall, let's recapture some of that with a great chance to win some big dollar scratch tickets this season. By the time we award our winners, you will have had a chance for all of the food and festivities to have settled down. Maybe you'll have received your credit card statements too and it's time to pay for all the fun and merriment. Oh horrors!

But thankfully... maybe you've just won \$100 worth of scratchers, any one of which could bring you a small fortune. Now there's a New Years theme to get behind!

All you have to do to win is count the number of times you see the letters together that spell the word 'thank'. It may be part of another word, in plural form as in 'give thanks' or part of a bigger work like 'thankful'. Wow....are you already counting??? Once you've settled on your total, just fill in the blanks in the box at the bottom of this page

and press the 'submit' button. You will automatically be entered, along with all the mailed in entries as well for a chance to scratch off some big bucks to start your New Year off right.

The ticket we're giving away is the \$10 Holiday Riches instant ticket from the Michigan lottery. You can win up to 20 times on one ticket and you can win up to \$500,000 instantly! Now that would be a prize to give thanks for!

Since this is a bi-monthly drawing, all entries received by January 31, 2010 will be eligible to win. On February 1, 2010, the winners will be randomly drawn from those who submitted the correct answer. The first 3 drawn with the correct answer will each win \$100 worth of the Holiday Riches tickets. There is no purchase necessary to win, but you must be at least 18 years of age.

Only one entry is allowed per person, but you certainly may tell others about this amazing contest and let them give it a try as well. If they don't have a player ID, they can [register for free](#).

Good luck to all of you. And THANKS for playing!
