*Bringing You the Latest News, Winners & FUN!*

## Letter from the Founders

*Andy & Judy Amada*

A belated HAPPY NEW YEAR to all of you! The delay in the newsletter is because I traveled to Thailand over Christmas to visit our son and his wife. My travel companions were our daughter and her family so I was surrounded by young people with a LOT of energy. The good news is that I didn't get sick and I didn't fall down. High fives! What an experience! And So. Very. Far. Away! A trip of a lifetime for sure. I was sure hoping that PowerPick would hit a BIG JACKPOT while I was away. Thought maybe my absence would shake things up, but not this time. Ready for a new year and plenty of winners with MULTIPLE jackpots thrown in. How's that for optimism!

Have you read about our new contests? Just in case you have not, allow us to enlighten you. First of all, we have kept one contest, changed up another and added a third. That's right. You may enter one contest online each week and you can choose which prize you like. All contest entries are done through our EZPOOLING website to save you time and postage. You may enter weekly and since all winners are chosen at random through the computer, you can win as often as your luck allows you. You may choose between a \$20 gas card (always welcome), \$20 worth of scratcher tickets (you could get lucky) or \$20 in play credit (how fun!). Each week, choose one of these prizes and we will push the random winner generator button and pick the first names

that bubble up to the top. Remember that you are not competing with THOUSANDS of people...more like hundreds, so your odds are good to win.

And as we await one of those Fabulously Fat jackpots to add to your bank account, we are having fun with Scratcher Pools. We started off with the \$30 Royal Millions ticket for a couple of reasons. First, it's a high priced ticket that not everyone will buy on their own and second, there were some very nice prizes. We did pretty well with that and now we are changing it up. We will analyze which tickets are available and choose the ones with the most prizes and/or the best odds and offer them in our scratcher pools. New tickets pop up frequently and we've even been told that a \$50 scratcher ticket will likely be on the horizon. Good grief! Stay tuned!

So we invite you to get in the game, stay in the game and win the game. Pooling is still the odds on favorite for the best odds of playing. We appreciate each and every one of you and thank you for your support and for dreaming along with us. Have a wonderfully healthy and wealthy and Happy New Year, a Loving Valentine's Day, and we truly hope to see you in the Winner's Circle SOON!

# SCRATCHER POOLS STILL A WINNING FAVORITE!!

We've decided to change things up a bit for our Scratcher Pools. While the \$30 Royal Millions ticket has been very good to us, we thought perhaps we'd try a new angle. Currently, we are purchasing the \$20 Scratcher "**\$215 Million Explosion.**"

There are over 40,000 prizes that will put cash in your pocket including EIGHT \$2.5 million dollar prizes.

And even better than that, while the prices will still remain at \$29 and \$49, since the ticket price is \$20, **you will be receiving 50% MORE Tickets!!** You will share in 8 Tickets instead of 5 tickets! and 15 tickets instead of 10 tickets! More tickets=more chances=more winners. That's the plan.
