

PowerPick Player's Club Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Happy New Year! If ever there was a time for a new year...it's now. We hope that in spite of it all, you have been able to have a healthy and calm holiday season. As we go to print on this newsletter, jackpots are the highest since March and June of 2019. It doesn't seem possible. While, yes, this creates more excitement, nobody has ever walked away from a \$1 million prize, so we're going to stay consistent here and play on. We hope you will join us or stay for that big announcement and celebration. And what a celebration it will be! Many of our members, along with ourselves, believe that it WILL happen. So stay tuned!

In the meantime, we are still doing our scratcher pools for your added pleasure, enjoyment and WINS. As many of you know, the odds on these tickets are better than the big drawing games. Playing both keeps your hand in the games for the BIG jackpots, smaller multi-million dollar jackpots and also some other wins along the way. As usual, we are aiming for the scratchers with the best odds or/or biggest jackpots. It's a fun weekly activity. Currently, we have no method to sign on for one of these scratcher pools on our EZPooling website. You may call us, or just respond to one of our Scratcher emails with your pool choice. These pools are a one time only request. So you are not signing up for any long

term play. However, we do have many members who request a recurring once a week play or a once a month play. Just so you know that these options are available too.

We are always looking for new members. We have been offering pools for 26 (!!!) years and it amazes many of the new members that they didn't know we exist. This is because advertising is VERY expensive and most effective when it can be repeated often. Therefore, word of mouth is great for us. Remember that when you tell someone about EZPooling.com and they use your ID# as a reference, you can earn up to \$50 for any new player that starts playing. Read all about that on the EZPooling website, or call for questions. Of course we all know that when we hit the BIG one, business will boom. It's the old horse out of the barn mentality. So it is a wise decision to play with us BEFORE we bring home the big one.

And so we head into 2021 with open hearts, hope and optimism. We wish for all of you to stay well, stay safe and be vigilant. See you in the Winner's Circle!
