Bringing You the Latest News, Winners & FUN!

Letter from the Founders

Andy & Judy Amada

HAPPY 2023 to all of you and aside from Happy and Healthy, we'll throw in a "Wealthy" too. With so many jumbo jackpots (and yes, we even consider \$20 million nothing to sneeze at), and with the Strength in Numbers that you play with through PowerPick...we like your odds!

Consider when you join a pool of 100 tickets in either Powerball or Mega Millions. Yes, you are sharing with 100 people, but to get the benefit of 100 tickets on your own, you would have to spend \$200.

With pooling, the price drops to an incredible \$5.50! So using that \$20 million jackpot as an example, in a group of 100 people, your share would still be substantial...like \$200,000. And that's at the lowest jackpot level! Would we complain? No way.

But with even that being said, never doubt that we are aiming high for each and every drawing! And we are looking forward to having YOU with us when that jackpot winner comes in!

How many times have you heard of jackpots going unclaimed? It's not just jackpots, my friends. It's MILLIONS of Dollars in all winnings throughout the country. People buy a ticket, lose a ticket, forget about checking a ticket and that's how it happens. While we don't have a

total figure in Arizona for ALL unclaimed prizes, we can tell you that by just checking the AZ Lottery website, there is a whopping \$8,508,000 in uncollected BIG prizes out there alone from 2022!

A very big part of our service, aside from buying those tickets, is collecting the winnings. Sometimes a trip to lottery headquarters is in the mix too and that is the best news for us. We are happy to pose with the big check. As we like to say..."We'll take the fame. You take the fortune." Suffice to say that NO winning tickets go unclaimed when you play with PowerPick. It's simply unheard of! So rest easy. We've got your back.

We promise to continue keeping our eye on the prize and reach for the sky on your behalf. It's what we do and we love it. Thanks all of you for being part of our lottery family. We are always looking to make your journey more fun and exciting along the way and have those goals within our reach too. A Blessed and Happy New Year to you and yours!
