

PowerPick *Player's Club* Goodtimes

JAN - FEB 2024

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

HAPPY NEW YEAR and Welcome to 2024... the winningest year EVER! See there? Positive thinking is powerful, and so is EZPooling by PowerPick when it comes to paring down those sky high odds. Yes, pooling is the way to go.

Have we won a JUMBO JACKPOT before? As you know, we have come very close on multiple occasions, but a word to the wise is: You better play BEFORE we win, because we want to see your name on that list of winners!

Remembering the old "closing the door after the horse has left the barn" comes to mind. You know very well that we will be inundated with new players as soon as we hit that first big one. That's why we say...PLAY NOW! Avoid the rush. Well, you get the idea.

We do have some big plans for 2024. As always, we are looking for ways to make playing the lottery more entertaining and creating more winners as often as we can. Stay tuned for more details as the year unfolds. We can tell you that we are aware of having spoken OFTEN about being able to sign up for Scratchers Pools on EZPooling soon. Well...drum roll please...it truly will be launched before our next newsletter and most hopefully sometime in January. For those of you who are computer folks, programming some of these things takes a lot of time and patience... not to mention expense...but we spare nothing

when it comes to making PowerPick Players Club the best and ONLY pooling service to offer Scratchers Pools. So stay tuned for that big and long time coming announcement. Remember that Scratchers tickets have some of the best odds and group sizes for these pools are only 10 people!

Please note on the back page that we are asking for your plans for your share of any big jackpot win that comes your way. This is always a fun question that has lots of fun answers too. So send us an email with what your dream looks like and we will enjoy sharing that with others. First names only, so don't worry. Remember too that Arizona has new laws that allow winners to be anonymous. This way, when you hit the big bucks, your Aunt Fannie will never know...unless you want her to.

So without further ado, let's get this year started with a bang. As you may note, jackpots get bigger and bigger these days, so do yourself a favor and play with POWER. That's what pooling does for you...today and always. Wishing you all the best in health, happiness and wealth in 2024, and may all your dream\$ come true!!

Just a Thought...

When someone tells you their hands are cold, there's a 94% chance they're going to put their hands on you to prove it.
