

# PowerPick Players Club Goodtimes

*Bringing You the Latest News, Winners & FUN!*

## Letter from the Founders *Andy & Judy Amada*

It's summertime, summertime and jackpots are heating up. But then they are always worth winning, small or large! More and more people are finding out about PowerPick Players Club, the convenience, the fun and the smartest way to play. We are grateful for each and every member and we are relentless in securing that jackpot win to come your way! Stay tuned for that BIG one, but enjoy the journey along the way!

**In case you weren't aware, The Pick game is now drawn on Mondays, in addition to the Wednesday and Saturday drawing nights.** We offer this option on EZPooling as well. For those of you who have automatic four and eight week plays, we will be happy to add that to your selection. Prices vary, depending on tickets per drawing and group sizes, but since The Pick game remains at \$1 per drawing, the increase to your selection is quite minimal. Since there are so many selections that this may affect, you need to give us a call if you're interested in adding the Monday draw. We will give you the price and add it to your next selection. As always, we will take care of it all for you. Just give us a call Mon-Thurs, 9:00 a.m. to 2:00 p.m. at 602-995-9200 or 800-274-7529. Remember too that we are always available via email at [azplayers@powerpick.com](mailto:azplayers@powerpick.com). So give us a call or shoot us an email and we'll give you a price to include the Monday draws for you!

Did you know that when you log onto [ezpooling.com](http://ezpooling.com), **your complete balance history is available to you?** Yup, it is! There are a couple of places to find this, but one very easy way is to go to the "Make a Deposit" red button. Once there, you will see a "**Balance History**" link near the top of that page. You can view all the money going in and out of your account. It's a very helpful little feature that not everyone knows about. So we wanted to let you know... and now you do! Fabulous!

You may have also noticed that **we have now added a group size of 25 to the Powerball Power Play option, as well as the Mega Millions Megaplier.** Those group sizes have always been groups of 50, but based on the popularity of this option, we have also added a group size of 25. You will see this on the order page when you order these games.

So lots of goings on and improvements to make your play interesting and EZPooling better for you. Stay tuned for more. We're on a roll! Hope to see you in that WINNERS CIRCLE one day very soon. Have a safe and WINNING summer!!!

**Just a Thought...**

**One minute you're young and fun.  
Next, you're turning down the car stereo  
to see better.**
