JULY - AUG 2024

*Bringing You the Latest News, Winners & FUN!*

## Letter from the Founders *Andy & Judy Amada*

Hot time...summer in the city. For those of you in the cooler AZ climates, lucky you! We'd like to know if weather forecasters EVER announce the following: "Look for a cooler summer this year." Wouldn't you just love to see that headline? Dream on. But while you're dreaming, let's dream for a minute or two about hitting a jumbo jackpot. Wait a minute...jumbo or not, a jackpot winner is the goal here and we aim to keep sending that arrow straight to a bullseye!

We have been doing a bit of brainstorming about ways to help us all with more players, more winners and more community service. Please see our item about fundraising. Seems like a winner to us. See what you think and give us a call, shoot us an email, but do give this some thought and let us know what you think.

In the meantime, summer is a time when jackpot levels seem to grow because folks are out of town, out of their normal routine, vacationing or whatever. We don't want anyone to miss out on some lottery action wherever you are or whatever you're doing. Don't forget that EZPooling offers extended plays for a week or a month at a time, in addition to daily action. Nice to think that while you are off doing your thing, you have something working for you in the background that just MIGHT pay off in a big way for you. Certainly one of the best and most fun things we do is reporting winners!

And speaking of winners, we seem to be on a bit of a roll lately. See the back or check out the

recent winners on the EZPooling website for the latest. Winning is one habit we want to get behind big time! It seems like the perfect time of year to share in some COOL MILLIONS. Here's to all of that and more! Be well and stay cool

### ATTENTION FUND RAISERS!

Do you belong to a fun loving group or organization that is always looking for funds for your pet causes? PowerPick would like to talk with you. Here is the offer: Your group members and/or their friends could sign up and become members of PowerPick/EZPooling to play the lottery with more chances and excitement than any other way of playing the lottery. Each time they play, a portion of their contribution to the pool will come back to the organization as a way to boost their fundraising efforts. The more they play or the more people they can tell about playing, the more money you can raise. And since a portion of lottery dollars already go to good causes, this is a way to help with those causes close to your heart, all while having hundreds of chances to win!

We want to put the FUN in FUNdrising. Give us a call and we'll tell you how easy and Successful this can be for your group or organization.
