Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Summertime! GREAT time to jump into a pool--anytime of the day or night. Yes, yes, we are primarily talking about a "lottery pool" but summer being what it is...a cool dip certainly comes to mind. On the other hand, a cool million or two would certainly be refreshing, wouldn't it?

It's been a couple of months now since the folks at Mega Millions raised their ticket price to \$5 each. It wouldn't surprise us to hear that not everyone is even aware of this change. As a quick update, yes the \$5 price is true, but it's also true that all tickets have a non-jackpot prize of 2 to 10 times the normal win. Interesting for sure. We have seen some bigger winners from this change. Of course, with the goal being big, bigger and BEST, we are still excited to enter the results and see what we can rake in for you!

Also notable is that pooling your Mega Million selection gives you waaaaaay more for the money. We are talking more tickets here. For example, the price of a SINGLE Mega Millions ticket on your own is \$5, but with pooling, we offer 4 tickets in a group of 20 for \$3.25. That's less than the price of ONE ticket. Or how about 10 tickets in a group of 50 for \$3.25. That would cost you 50 bucks if you bought that on your own. You can go all the way up to 40 tickets in a group of 200 for \$3.25. Again, on your own, a \$200 outlay! Need we say more?? Pooling and sharing your tickets and winnings with others is, hands down,

the way to play! Don't keep it a secret. Tell everyone! (thank you very much).

And we continue to spread the word too. We will be attending an Expo sponsored by Independent News Media. This event will take place on July 15, 2025 from 9:00 a.m. to noon in Fountain Hills. This will be at the Fountain Hills Community Center, 13001 N. La Montana Drive. If you are in the area, come see us. We'd love to see you. We will have new player specials as we look to expand our family of players. More tickets mean more winnings. We make WINNING a team effort!!!

Remember that we have one of the best new player referrals too. You can earn up to \$50 for each new member that you refer. Read all of the details on our EZPooling website. Just give your referral your member ID number to enter so that you will earn \$ each time they play. It's seamless and unlimited. So go ahead and refer as many as you like!

We will continue to find more ways to make the Jackpot Journey fun and exciting. We simply couldn't do it without YOU, of course, so we are sending a big thank you and warm wishes for a summer filled with Red Hot WINNERS!

Just a Thought...
