

# PowerPick Player's Club Goodtimes

*Bringing You the Latest News, Winners & FUN!*

## Letter from the Founders *Andy & Judy Amada*

Welcome new members, welcome back old members and thank you very much to our current members. We love the enthusiasm and sharing of dreams with all of our members. Whether you heard about us from a print ad, our radio segments or from a friend, we are happy that you found us. Our shared efforts are to hit some substantial lottery winners and we think you've all come to the right place! As someone famous (maybe it was us) once said, "Single picks are Wimpy." Play your own numbers or quick picks on your own, but for 'insurance' you cannot beat pooling. It simply offers you the most chances for the least amount of money. It's easy to see why we think it's the smart way to spend your lottery dollars.

Playing online has become such a huge convenience and it's been our pleasure to make it as easy and as entertaining as possible. To that end, we are updating our webpage to be more modern and more user friendly. Stay tuned for that, which we are estimating will happen soon...certainly before our next newsletter. It also makes it easier to refer your friends too. Remember that there are reward\$ for doing so. Refer a friend, give them your ID # as a promo code and you can earn up to \$50 per referral. And guess what? The number of referrals is Unlimited! So spread the word!

With lottery odds so high, these jumbo jackpot amounts are inevitable. We've sure

seen some record breakers in the past few months and suspect more will be up for grabs. While we love the lottery fever, never discount sharing in a 'lowly' \$20 million jackpot too. Choose a smaller group size for smaller jackpots and a larger group size for the jumbo ones. No matter what the jackpot, there is always PLENTY to share.

With more and more members, we plan to soon add different packages to suit your playing style. And don't forget that we also do the ever popular Scratcher Pools. Here you can participate in these high priced scratcher tickets at great savings. The group size is only 10 so your share is very nice indeed. Scratchers offer pretty good odds too.

While we continue to aim HIGH and focus on that aim, we are always happy to hear your suggestions. Those very suggestions have allowed us to grow and make more and more offerings. So don't hesitate to reach out with your ideas.

Enjoy the spring weather! We know what's right around the corner! We hope those higher temps can be countered with some COOL JACKPOT CASH! Stay safe and stay well!
