

PowerPick *Player's Club* Goodtimes

MAR - APR 2024

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Can we all agree that time flies? Just a minute ago we were wishing you a Happy New Year and now it's the month of March already! I guess keeping busy makes the time fly and we've sure been busy. If time flies for you, then you're likely filling your days too. We hope it's all with good times, good friends and good health.

You may have already noticed, **but...at long last, we are happy to announce that the scratcher pools option is now active on the EZPooling website. HOORAY!**

We hope this will make your signups for this fun choice very easy. No need to wait for emails either. You can now sign up 24/7 and the sooner you order, the higher up on the list you'll be.

Just sign up whenever lady luck gives you a nudge and we will add your name to our next available scratcher pool. Those pools will be played on Tuesdays, Wednesdays and Thursdays.

We have many regular scratcher players, and if you've ever considered it for yourself, step right up and try your luck. When you sign up, you can choose to play one time, weekly, monthly or whatever your little heart desires. As you know... we aim to please. And we are aiming for BIG winners, today and always!

You've also likely noted that today's jackpots are pretty ginormous (is that a real word?). All the more reason to pool your lottery dollars with like-

minded people who also want to increase their chances of winning for less money. It's the perfect way to play the lottery. It just make sense!

And here is a good place for a little reminder. The next time you log in, look at your contact info that we display. If it needs adjusting, just click on the "Manage your Account" link at the bottom of the page. You can adjust your address, phone number and email address.

We know these things change frequently and it's important that we are up to date. Of course the obvious reason for this is that we want to find you IMMEDIATELY when we have that WINNING NEWS and \$\$\$ to deliver.

So please take a peek for us and make sure we have everything up to date. If you have no computer or do not use the EZPooling website, you may give us a call to make the update. Our phone number is listed on the back (page 2) for your convenience. Thank you very much!

With Spring Fever almost upon us, we want to wish you all lots of fresh air and sunshine and, of course, an abundance of lottery winners!

Just a Thought...
