Letter from the Founders

Andy & Judy Amada

Happy Spring/Summer fellow PowerPickers! As of this writing, jackpots are once again heating up. But as you know, what goes up, must come down. We want to definitely be on the "UP" when we hit the jackpot(s). Still, have to admit that even a measly \$20 million would be a very tasty jackpot. The fact is, we will be celebrating a jackpot winner, big or small whenever it comes our way! Consistency is key and that's where we come in. We make it easy to never miss a drawing, whatever the size of the jackpot.

While we send out emails as reminders, **if you can receive an email, you are also able to go to www.ezpooling.com and jump in whenever you wish, day or night.** This is one of the reasons that we have limited hours in the office. It's because so many of you have discovered the power and ease of going online and ordering whatever your heart desires. Of course we also offer the ease of automatic plays too. But even with that, when jackpots heat up or when you're just feeling lucky, you can add additional plays anytime. And again, remember that we are more than happy to show you how.

And along those same lines, **did you know that once you have a card entered into your PowerPick profile, you can add other cards as well?** Well, now you know! So you can delete cards, or add multiple cards. This allows you to choose the card of your choice for your orders, or switch between cards, if you like.

You probably know that **the Arizona Lottery has begun offering The Pick on Monday nights, as well as Wednesdays and Saturday.** Our face is red about this! Programming got backlogged and we didn't jump on this fast enough to get it done in time. We want you to know that it's being worked on and we will add that option just as soon as possible. When that happens, we will contact you about adding it to your monthly plays, should you choose to do so, the same as we did when Powerball added a Monday night drawing. So stay tuned for that announcement. We promise it will be SOON.

Scratcher pools continue to be popular. We make every effort to choose the latest, greatest and those with the most prizes available too. You might even consider doing these on a weekly or monthly basis. Whatever you wish...we are happy to make it happen. As far as we know, we are the **ONLY** service that pools scratcher players. And lucky you...you're a member of this exclusive club!

We also wish all of you a very Happy Mother's and Father's Day in the days ahead!! Whatever upcoming plans await you, we wish you good health, staying safe, and as always... **GOOD LUCK!**

Just once I want a username and password prompt to say "close enough."
