HAPPY HOLIDAYS!! Is a Jackpot winner on your Christmas/Holiday list? Because it is most assuredly on ours. So far, we've had a pretty good winning year and we are hoping to top it off with the biggest prize of all. We want you all to be THERE for the big day too, so make your play a consistent one. If all of the busy-ness of the season has you coming and going, think about signing up for a four week play. Our automatic players have their bases covered always, but you can add a 4 week play on EZPooling and then just go out and shop or party...or sleep! Whatever you like. We will cover your plays and monitor everything for you. The next best thing to winning, is calling the winners. Let's make it happen!

Our scratcher pools continue to be among your favorites. If you haven't tried one of these, think about jumping into one. There are some sweet prizes and with smaller group sizes and better odds, it's a fun extra to add to your play. Read more about it on the back page, but feel free to call us with any questions.

Remember to tell your friends and family about our pooling service too. Just give them the website and your ID number and you can start earning money each time they play (up to \$50 total bonus on each one). They could also give

us a call and we'll ask them how they heard about us. We want to make sure you get the credit!

We plan to make the New Year better with more pools and more fun. We make it easy for you to play at any time from wherever you are. We do have folks come into our office as well, so if you're in the neighborhood and want to stop by, we'd love to see you. We even have a little lending library here for you to borrow a book.

Reading is good for you. It also helps to keep your mind off of waiting for that big payoff! J But truly, we have met a great bunch of people who like playing the lottery and getting the most chances of winning. It's a pleasure to meet you. We can attest to the fact that your fellow poolers are terrific people...just like

you...who all have the same goal in mind . . . WINNING!

Whatever holiday you celebrate this time of year, or even if you don't, we celebrate all of YOU and wish you the brightest, happiest, healthiest and wealthiest New Year EVER!

# SCRATCHER POOLS NO NEED TO MISS OUT!

If you would like to be on a list to be included each week (or each month) so you don't miss out, it's simple . . . just let us know. You can stop at any time. Those on this automatic list always have first priority.

The current game has **FOUR \$2,500,000 prizes!! plus over 25,000 additional prizes that will put money in your pocket.** We have 2 pools - each are made up of 10 players. You can share in 16 tickets for \$49 or 9 tickets for \$29. These are \$20 tickets, so you are getting quite a bit of play for your buck.

# A Recent Win

In case you missed our latest news from September - YES, we matched 4 of the 5 numbers in Fantasy. It normally pays out \$500, but this ticket was a doubler, so it paid \$1,000. We just missed our 4th Fantasy 5 Jackpot by only 1 number AGAIN!!!

Prizes have been good in 2019 with our 3rd Fantasy 5 Jackpot for \$53,000 and the \$30,000 Mega Millions Megaplier winner, which just missed \$137,000,000 by just 1 number - ouch!

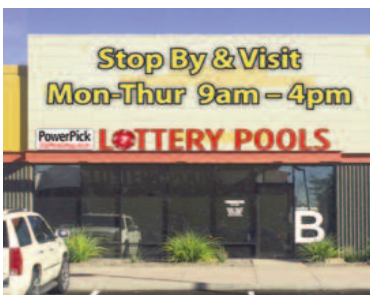

And, of course, we have had many prizes of \$2,000, \$500, \$200, \$100, and \$50, all of which have just missed significant prizes by just one number!

Jackpots have been very low for the past 5 months - lowest we have ever seen, but they are finally starting to grow again. On the other hand, Nobody would ever turn down a portion of a \$40 Million dollar jackpot - right?
