

PowerPick Player's Club Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Greetings fellow PowerPickers! It's almost fall...our favorite time of the year. Seems like a good time for a WINNING harvest. Aside from all of the wonderful choices in pooling that we offer you, we are now forming pools for scratcher tickets. You may already know this, but we just wanted to tout this latest offering. Read the story on the back for how we're doing. Pretty good, by the way, if we do say so ourselves.

Of course the goal here is to hit a JACKPOT. We are bound and determined to do so. And with so many people playing with us who are like minded...how can we miss? Of course more players being like-minded would be a step in the right direction. We'll take all the good vibes we can get.

So while we await that big winner kind of day, we are always looking for more and more ways to make you a winner. Anytime the Arizona Lottery offers a second chance sweepstakes that is feasible for us to enter, we will do so. We entered MANY Royal Million scratcher ticket serial numbers in that last \$1,000,000 giveaway and we also entered many serial numbers for the Fantasy 5 second chance offering as well. In both cases, if (when) we win, we will determine which player's names are on that winning entry and will share the prize accordingly. In both of these cases, the number of players on these games represent a small group size, so the win could pay off nicely. Anytime we get a winner,

we will be giving you a call and sharing the winning news with you. We think it will be fun to spring it on the winners. As in..."SURPRISE!!" Just a great perk of the job, really. Who wouldn't want to play Santa Claus, the tooth fairy and Lady Luck all rolled into one? So just be aware that we are behind the scenes, working on your behalf to make you a winner. Hey, it's just what we do!!

Remember to share our service with anyone you know who would like to increase their chances of winning. With high odds on these big games, pooling will always give you the best shot and is the smartest (and of course most convenient) way to play these games. EZPooling makes it even easier. Be sure to give your ID# to your friends when you direct them to the EZPooling website. Not only will they get a FREE play, but you will get money deposited directly into your pooling account each time they play. You can receive up to \$50 per person. Gee whiz, with that in mind...tell EVERYONE!

Note our recent winners on the back of the newsletter. We are aiming to score big nightly and winning too. Keep playing or get back in. And thank you all for sharing the dream!

Just a Thought...

Today the real world is an escape from the internet.**

SCRATCHER POOLS STILL A WINNING FAVORITE!!

As many of you know, we started pooling high-end scratcher tickets a few months ago. Scratcher pools represents a first for PowerPick, and our players have already won OVER \$26,000!!

We started with ROYAL MILLIONS and are still pooling that ticket since there are still 3 - \$3.5 MILLION dollar prizes; 7 - \$100,000 prizes; 19 - \$10,000 prizes plus many more prizes - adding up to well over \$15,000,000!!

The BEST Odds can be found with Scratcher tickets, and the prizes can be in the millions, **so try it out and have some fun!** We send out emails reminders every Tuesday morning, but you can email or call us anytime.
