

PowerPick Player's Club Goodtimes

Bringing You the Latest News, Winners & FUN!

Letter from the Founders *Andy & Judy Amada*

Fall at last! And what a summer. The sky high Mega Millions jackpot sure kept things exciting. And a big, fat Fantasy 5 prize added to it as well (and we missed the jackpot 3 times by just 1 number!). We wish to extend a very big and happy welcome to all of our new members who have discovered the power, fun, excitement and convenience of pooling. So many people pulling for a mutual goal...WINNING! Hard to beat that.

In case you didn't catch it, we were on the radio! Yes, KFNX 1100 am and will be on again on September 23. It's just a quick 15 minute discussion about PowerPick's EZPooling. Growing our membership is key to our success. And yours too. The more members, the more tickets and that means more winners.

While those high jackpots are really fun and exciting, we still believe that consistency is the name of the game when playing the lottery. And to be perfectly honest...who among us would turn down a minimum \$20 million dollar prize? Nobody No how! Pooling lets you dream big. It's like renting a dream. We imagine all the things we would do with a windfall...who we'd help, what we'd do and maybe even treat yourself to those forever wishes. Maybe it's a trip of a lifetime, a new home, or even multiple homes. So many of you want to help others and we totally understand that mindset. Just how great would that be? Hopefully we can enjoy some of

these goals and SOON! Yes, it's our always goal to win a BIG one for one of our groups. Talk about putting PowerPick on the map, huh?

In the meantime though, we are happily coming up with more ways to win and to make that journey an enjoyable one. Stay tuned for more offerings. Hard to believe that 27 years ago we started with THREE selections. Today, thanks to you and your ideas, we have HUNDREDS. We appreciate the support of each and every one of you and we promise to do our part to keep that big goal in the front of us always. Happy fall to you and yours!
